EDOM WATER SUPPLY CORPORATION NOTICE OF RATE INCREASE

The Edom Water Supply Corporation (EWSC) Board of Directors held a public meeting on December 11, 2023 and voted to increase monthly rates on water service for all members. The Directors on the board consider these rate increases necessary to continue supporting current and upcoming projects that are critical for maintaining system infrastructure and also support the escalating costs of operations. These vital improvements further ensure the continuous strategic efforts that will secure the longevity of our water system.

EWSC Board of Directors have approved a \$3.00 increase to the base meter charge. These rate adjustments will be reflected in your billing beginning February 2024.**

The EWSC staff and board of directors appreciates your membership and requests your patience as we continue these endeavors. We remind you that these upgrades are essential to not only continue quality service to the membership but also to ensure the longevity of the water system for many years to come.

EWSC's Board of Director Meetings are held every second Monday of the month at 5:00 P.M. at the EWSC Office, with the exception of the Annual meeting held in March. Members are encouraged to attend. To be placed on the agenda, please contact the EWSC Office five (5) days before the meeting.
