EDOM WATER SUPPLY CORPORATION NOTICE OF RATE INCREASE

The Edom Water Supply Corporation (EWSC) Board of Directors held a public meeting on December 8, 2025, and voted to increase monthly rates on water service for all members. The Directors on the board consider these rate increases necessary to continue supporting current and upcoming projects that are critical for maintaining system infrastructure and also support the escalating costs of operations. These vital improvements further ensure the continuous strategic efforts that will secure the longevity of our water system.

EWSC Board of Directors have approved a \$4.00 increase to the base meter charge and a \$1.50 increase on each tiered rate for cost per thousand-gallon usage. These rate adjustments will be reflected in your billing beginning February 2026.**
